Personal 3D Printers Up For Auction on Liquidation.com Marketplace

WASHINGTON--(BUSINESS WIRE)--Aug. 30, 2016-- <u>Liquidity Services</u> (NASDAQ: LQDT), a global solution provider in the reverse supply chain with the world's largest marketplace for business surplus, is pleased to highlight its sale of a large volume of personal 3D printers through its online auction marketplace <u>Liquidation.com</u>, a leading e-commerce site where professional buyers can purchase surplus inventory from the retail supply chain's top retailers and manufacturers.

3D printing is a growing market and is expected to reach \$35.4 billion by the end of 2020, up from \$15.9 billion in 2016, according to IDC. Larger, commercial grade 3D printers are commonly used in industries such as aerospace, defense, automotive, healthcare, entertainment, education and many more. Consumers are now also benefitting from the technology with personal 3D printers available in the retail market. These printers can make anything that will fit into the six inch cube printing area.

Buyers can now bid on bulk lots of personal 3D printers in new condition at <u>Liquidation.com</u>, as well as find auctions of popular branded products and categories such as iPads and tablets, TVs, audio and media gear, branded apparel, building tools, and housewares.

"Liquidation.com serves clients and buyers across the entire retail supply chain. We are excited to expand our technology category by serving retailers and manufacturers of high value products such as personal 3D printers. As technology advances and new products capture consumer demand, we are able to make the most desirable products available to our global base of nearly three million professional buyers," said Jim Rallo, President of Liquidity Services' Retail Supply Chain Group. "More than half of the top twenty retailers and manufacturers partner with us to ensure their returned and surplus goods obtain the highest recovery while minimizing our clients' risk and costs. In turn, we are able to make surplus and consumer returned merchandise in over 500 product categories easily available for business buyers, while also supporting them with services including secure payment and transaction settlement, integrated shipping services, and live customer support."

To place bids on items for sale in these auctions, or to participate in any auction on a Liquidity Services marketplace, visit https://www.liquidation.com/register.
